Junior Miami University

Media & Culture, Interactive Media Studies

To whom it may concern,

My name is Julianne Zimmerman and I am a junior at Miami University in Oxford Ohio. I am currently studying Media & Culture as well as Interactive Media Studies. My goal one day is to become a web designer or have a role in the digital marketing world.

I am very interested in a possible internship at Designer Brands. This program and company seem like a great opportunity and experience to continue learning. I wish to expand my knowledge of the digital world, and more particularly, see how it works. We use our cellphones every single day, and I want to not only learn more about consumers, but also how we can impact and interact with them!

Please see my attached resume and portfolio. I am an eager and hard worker that is up for any kind of challenge. I can personally guarantee that my best efforts will be put forward every day.

Sincerely,

Julianne
